

LISS END USER AGREEMENT FOR MICROSOFT SPLA

Microsoft Software licenses are provided under the "Services Provider License Agreement" (SPLA) between Microsoft and LISS Consulting Corp. (LISS). LISS will report the total number of licenses required for each Microsoft Product used during the preceding calendar month and bill you (the "End User") per the Price Schedule below (plus any applicable taxes). Payment terms are net 30 days. This Agreement does not have a set term, but will continue on a month-to-month basis until terminated. Either party may terminate this Agreement as of the end of a month by giving at least forty-five (45) days' written notice of its intention to do so. The termination of this agreement will automatically terminate all of End User's rights to use the Microsoft Products.

1. END USER REQUIREMENTS

- a) The End User WILL NOT remove, modify, or obscure any copyright, trademark, or other proprietary rights notices that are contained in or on the Microsoft Products;
- b) The End User WILL NOT reverse engineer, decompile, or disassemble the Microsoft Products, except to the extent that such activity is expressly permitted by applicable law;
- c) THE END USER ACKNOWLEDGES AND AGREES THAT MICROSOFT DISCLAIMS, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL WARRANTIES WITH RESPECT TO THE MICROSOFT PRODUCTS, INCLUDING WITHOUT LIMITATION ANY WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE, AND THAT NEITHER MICROSOFT NOR ITS SUPPLIERS SHALL HAVE ANY LIABILITY FOR ANY DAMAGES, WHETHER DIRECT, INDIRECT, OR CONSEQUENTIAL, ARISING FROM THE PROVISION OF ACCESS TO THE MICROSOFT PRODUCTS BY LISS;
- d) LISS, not Microsoft or its suppliers, will provide technical support services to the End User;
- e) End user WILL NOT engage in any unauthorized manufacture, copying, reproduction, distribution, installation, access, modification or use of any Microsoft Products, or otherwise engage in the infringement of or interference with Microsoft's intellectual property rights;
- f) The End User agrees that LISS may, at the request of Microsoft, disclose to Microsoft information concerning the End User reasonably required by Microsoft to maintain records concerning the licensing of its products including, without limitation, End User's name and address, the number of licenses or user ID's issued, and the number of servers, computers or devices on which the Microsoft Products are installed;
- g) No High Risk Use. The Microsoft Products are not fault-tolerant and are not guaranteed to be error free or to operate uninterrupted. The End User may not use the Microsoft Products in any application or situation where the Microsoft Product(s) failure could lead to death, or serious bodily injury of any person, or to severe physical or environmental damage ("High Risk Use"). Examples of High Risk Use include, but are not limited to: aircraft or other modes of human mass transportation, nuclear or chemical facilities, life support systems, implantable medical equipment, motor vehicles, or weaponry systems. High Risk use does not include utilization of Microsoft Products for administrative purposes, to store configuration data, engineering and/or configuration tools, or other non-control applications, the failure of which would not result in death, personal injury, or severe physical or environmental damage. End User agrees to indemnify and hold harmless Microsoft and LISS from any and all liabilities and expenses (including without limitation reasonable attorney's fees) incurred in connection with any third-party claim arising out of End Users' use of the Microsoft Products in connection with any High Risk Use.

2. END USER LICENSE TERMS

In addition to the terms and conditions set forth in this Agreement, use of the Microsoft Products, including any Client Software (software that is installed on End User's own servers, computers or other devices for End User's own use) or Redistribution Software (software that is provided without separate payment as a sample or for redistribution, software development or other purposes), is subject to the terms and conditions set forth in Microsoft's End User License Terms (including the relevant portions of Microsoft's Service Provider Use Rights document), which terms and conditions are attached and constitute part of this Agreement. In the event of a conflict, the terms and conditions set forth in Microsoft's End User License Terms shall be controlling over the terms and conditions set forth in this Agreement. End User is responsible to LISS for any unauthorized manufacture, copying, reproduction, distribution, installation, access, modification or use of Client Software and/or Redistribution Software by End User.

3. COMPLIANCE

If Microsoft and/or LISS believes in good faith that End User is not complying with the End User License Terms or any other applicable terms of use, End User must cooperate in good faith with Microsoft and/or LISS to investigate and remedy the non-compliance.

4. COPIES OF PRODUCTS

Within 30 days of the termination of this Agreement, End User shall take the following steps and provide LISS with written certification of the completion of such steps:

- a) Remove all copies of Client Software and/or Redistribution Software from the End User's servers, computers and other devices or otherwise render the Microsoft Products permanently unusable; and
- b) Return or destroy all copies of Client Software and Redistribution Software that it received.

5. INDEMNITY

End User agrees to indemnify and hold LISS harmless against and from any and all liabilities and expenses (including without limitation reasonable attorney's fees and any surcharges, penalties, damages or other sums payable to Microsoft) which are incurred by LISS as the result of:

- a) End User's unauthorized manufacture, copying, reproduction, distribution, installation, access, modification or use of any Microsoft Products (including without limitation any piracy or counterfeiting of software or other infringement of or interference with Microsoft's intellectual property rights);
- b) End Users' failure to stop using, return or comply with other instructions concerning the Microsoft Products following notice from Microsoft or LISS that the Microsoft Products in question may be the subject of an infringement claim; or
- c) End User's violation of Microsoft's End User License Terms or any other Microsoft terms of use that End User has been made aware of or has reason to know of.

6. PRICE SCHEDULE

Initial pricing for products is as set forth in the proposal, estimate or similar document provided by LISS. All prices are monthly recurring costs (MRC) in US Dollars. Prices subject to change without notice.

7. THIRD-PARTY PRODUCTS & SERVICES

Microsoft software and any related products and services constitute Third-Party Products and Services within the meaning of the MSA and as set forth in Section 10.1 of the MSA LISS does not independently warrant Third-Party Products and Services; however LISS will, as set forth in Section 6.2 of the MSA, assist the Client in obtaining the benefit of any warranties or remedies that might be available from Microsoft.

SERVICE CONTRACTS FOR MICROSOFT SOFTWARE ARE SUBJECT TO ALL OF THE LIMITATIONS, DISCLAIMERS AND OTHER RESTRICTIONS CONTAINED IN THE MSA, INCLUDING WITHOUT LIMITATION THOSE SET FORTH IN SECTIONS 10.2 AND 10.3 OF THE MSA."

2. OWNERSHIP OF PRODUCTS

The Products are licensed to LISS from an affiliate of the Microsoft Corporation (collectively “Microsoft”). Microsoft Products are protected by copyright and other intellectual property rights. Products and other Product elements including but not limited to any images, photographs, animations, video, audio, music, text and “applets” incorporated into the Products are owned by Microsoft or its suppliers. You must erase or destroy all such Client Software and/or Redistribution Software upon termination or cancellation of your agreement with LISS, upon notice from LISS or upon transfer of your Device to another person or entity,

whichever occurs first. You may not copy any printed materials accompanying the Products.

6. LIMITATIONS ON REVERSE ENGINEERING, DECOMPILATION AND DISASSEMBLY

You may not reverse engineer, decompile, or disassemble the Products, except and only to the extent that applicable law, notwithstanding this limitation, expressly permits such activity.

7. NO RENTAL

You may not rent, lease, lend, pledge, or directly or indirectly transfer or distribute the Products to any third party, and may not permit any third party to have access to and/or use the functionality of the Products except for the sole purpose of accessing the functionality of the Products in the form of Software Services in accordance with the terms of this agreement and any agreement between you and LISS.

8. TERMINATION

Without prejudice to any other rights, LISS may terminate your rights to use the Products if you fail to comply with these terms and conditions. In the event of termination or cancellation of your agreement with LISS or LISS’ agreement with Microsoft under which the Products are licensed, you must stop using and/or accessing the Products, and destroy all copies of the Products and all of their component parts within thirty (30) days of the termination of your agreement with LISS.

9. NO WARRANTIES, LIABILITIES OR REMEDIES BY MICROSOFT

Microsoft disclaims, to the extent permitted by applicable law, all warranties and liability for damages by Microsoft or its suppliers for any damages and remedies whether direct, indirect or consequential, arising from the Software Services. Any warranties and liabilities are provided solely by LISS and not by Microsoft, its affiliates or subsidiaries.

Any support for the Software Services is provided to you by LISS or a third party on LISS’ behalf and is not provided by Microsoft, its suppliers, affiliates or subsidiaries.

11. NOT FAULT TOLERANT

The Products are not fault-tolerant and are not guaranteed to be error free or to operate uninterrupted. You must not use the Products in any application or situation where the Product(s) failure could lead to death or serious bodily injury of any person, or to severe physical or environmental damage (“High Risk Use”).

12. EXPORT RESTRICTIONS

The Products are subject to U.S. export jurisdiction. LISS must comply with all applicable laws including the U.S. Export Administration Regulations, the International Traffic in Arms Regulations, as well as end-user, end-use and destination restrictions issued by U.S. and other governments. 13. LIABILITY FOR BREACH

In addition to any liability you may have to LISS, you agree that you will also be legally responsible directly to Microsoft for any breach of these terms and conditions.

You must permit LISS to disclose any information requested by Microsoft under LISS’ Agreement. Microsoft will be an intended third-party beneficiary of your agreement with LISS, with the right to enforce provisions of your agreement with LISS and to verify your compliance.
